

HON. SHAFQAT ALI

JUNE 2026

**Member of Parliament
Brampton-Chinguacousy Park**

Dear Neighbour,

I hope everyone had a wonderful Canada Day celebrating the values that unite us as Canadians and reflecting on the freedoms, diversity, and opportunities that make our country strong.

June has been a busy and productive month as our government continues to take action to strengthen Canada's economy, create opportunities for workers, enhance public safety, and invest in the future of our communities.

This month, I have continued advocating for investments that support local families, workers, seniors, students, and businesses. From strengthening Canada's economy and creating new opportunities through innovation and AI, to expanding school food programs, improving public safety, and 2026 FIFA World Cup, our government is taking action to build a stronger future.

As we enjoy the summer season, I hope you have the opportunity to spend time with family and friends, attend community events, explore our local parks, and support local businesses. Wishing you a safe and enjoyable summer.

I look forward to continuing to meet with residents, hear your ideas, and work together to build a stronger, safer, and more prosperous community.

Best Regards,
